

Here is an example of a long table. You can see the table in [Table 1](#).

Table 1: Dates

---

1875	Cats officially declared the best napping partners after a rigorous study by the Feline Sleep Institute.
1892	The first cat cafe opens, offering free belly rubs with every cup of tea.
1910	The Great Cat Conspiracy begins: cats secretly learn to use typewriters to communicate with each other.
1925	The invention of the "Catnip Cigar," a revolutionary toy that takes the feline world by storm.
1936	Cats form the "Paws and Whiskers Society" to advocate for better scratching post legislation.
1952	The first Cat Fashion Week is held, featuring tiny tuxedos and ball gowns for felines.
1964	Cats discover the joy of sunbeams and start a global movement for "Sunbeam Appreciation Day."

- 
- 1972 • The Great Catnip Shortage causes a dramatic increase in catnip smuggling operations.
- 1976 • Cats invent the "purr-o-meter," a device to measure their contentment level in decibels.
- 1980 • Cats successfully petition for "National Nap Time" to be included in the workweek.
- 1983 • The International Cat Olympics: event categories include laser pointer chasing and feather toy leaping.
- 1986 • The first cat music album, "Meow-sic to My Ears," tops the charts with soothing purring tracks.
- 1991 • The launch of "Meow TV," a channel exclusively for cat videos, becomes a global sensation.
- 1993 • Cats establish the "Whisker Award" to honor the best feline performances in human movies.
- 1996 • The "Great Yarn Ball Explosion" occurs, creating a worldwide shortage of yarn for knitting and play.
- 2000 • Cats design the "Ultimate Cat Tower," a multi-level playground that becomes an architectural marvel.

2005	•	Cats establish their own social media platform, “PurrBook,” for sharing daily naps and fish recipes.
2007	•	The “International Catspiracy Conference” reveals that cats have been behind all internet memes.
2012	•	The Great Cat Migration: a massive wave of cats heads to the beach, inspired by viral videos of surfing cats.
2015	•	Cats launch a space program, “Operation Feline Frontier,” aiming to explore the moon’s cheese reserves.
2018	•	The “Catnip Crisis of 2018” sees cats rallying to replenish their favorite herb after a major supply chain issue.
2020	•	Cats run a successful campaign to get “National Cat Nap Day” recognized as a public holiday.
2023	•	The “Catlympics” features new sports like “Frisbee Fetch” and “Pillow Pouncing.”
2025	•	The “Great Laser Pointer Tournament” becomes the most-watched event of the year among feline enthusiasts.
